Healing Rooms Conference 2019

Awesome is not enough to describe the Healing Rooms England and Wales Conference that took place in Congleton on April 12th and 13th. The Conference was hosted by New Life Church of Congleton with administration by the local Healing Rooms Team. The worship was amazing, the seminars outstanding and the speakers world class. Throughout the worship times there was an outpouring of the Holy Spirit with many healings, miracles and blessings taking place. The delegates were also ministered to by a ministry team comprising of students from the Eastgate Church, School of Spiritual Life, Kent, who gave testimony of God's incredible work in their local area. There were almost 300 delegates present including the local Congleton and Talke Healing Rooms teams who would love to share their experience with you. Testimonies

These testimonies are a sample from some of the many hundreds of visits for prayer to the Healing Rooms @ Costa Coffee at Congleton and Talke:

Rachel's Story

For several weeks I have had increased pain in the muscle tissue in my back, and at times it has been almost too much to bear. I had overheard one of the prayer team say that sometimes it's not always the symptoms that need the prayer but there can be an underlying factor - citing an example of holding on to unforgiveness.

I felt that I needed to apply that to my own situation - although I was not aware of any unforgiveness. So, I knew that I needed to go to Costa for more prayer and I went that evening.

When two of the prayer team were about to pray for me I suddenly remembered that matter of unforgiveness and mentioned this to them. Two names came to my mind from about thirty years ago. I was able to forgive, and release them from any judgements I had towards them. I still had the back pain.

The next morning I awoke with no pain. I was so praising God! As the day wore on the pain came back, but I was having none of it so I started to take authority in the name of Jesus.

The following morning when I awoke I was pain free and have been free ever since, today being Monday of the following week. Our God is awesome!!

Did you know.....

The word "Testimony" comes from the Hebrew word meaning "to do again" so if you have a healing testimony this can be used to speak healing over others, just as Jesus commanded us to do.

Bring your healing needs to the HR Team at the Costa Coffee shop where you will be listened to and prayed for in an intimate, friendly and non-threatening manner.

Volunteers are trained to make the experience as comfortable as possible and will treat all needs with the utmost respect.

Each Healing Room ministry team consists of a group of volunteer Christians from several local churches who pray for those with healing needs whether they are physical, emotional or relational. Our focus is on the presence and power of the Holy Spirit to work through us to bring about healing and we have seen Him do many amazing miracles. The ministry is fully confidential and free of charge.
